

## REVIVALIST LASH ACADEMY

### THE REVIVALIST DIFFERENCE

At Revivalist lash brand & Academy we focus on expert techniques & high quality products to assure a smooth transition and experience entering a career in lash artistry. We are the first academy to bring European techniques to Canada.

Each one of our products provided in Our course kit was created to improve efficient, dependable and long-lasting results for lash artists everywhere.

Revivalist lash brand was founded by lash artists for lash artists. We developed our products for our lash artists and our Lash academy. Our products were designed to shorten application time and display incomparable volume. Each product and technique ranges from expert to freshly born lash artists. We will continue to make Improvements to provide the highest standard of quality.

OUR MISSION at Revivalist is to innovate new techniques and products that extend longevity. We endeavor to be a resource for qualified lash professionals seeking consistent, high value & immense quality lashes.
